Easter postcards

Fill in the blank spaces on the back of the postcard with the relevant details for your church (if you have more than one church split the amount of postcards for each one).

Example

Distribution

Parish volunteers can pop a postcard through the door of those who haven't been to Mass in a while and might appreciate an invite.

or

Leave completed postcards at the back of the church. Ask parishioners to take one away to give to someone who might appreciate receiving one.

or

If delivery/distribution is not possible, give the completed postcards to your local school and ask a teacher to give to pupils (a printer friendly version will be sent via the ad clerum if you want more copies).
