How To Make Tissue Paper Flowers

You will need: Tissue Paper & Green Pipe Cleaners

Take four to five sheets of the tissue paper and layer them (if you want multicolored flowers, use different colors). Cut into 8-inch squares. Keeping the sheets layered, take one set of squares and fold it like an accordion so it looks like a thin rectangle. At the center of the rectangle, cut a small v-shaped notch on both sides. Take the end of a pipe cleaner and twist it around the notch. With the stem pointing straight down, gently pull up one layer of tissue into the center. Pull up the remaining layers, one by one. Repeat for the other side of the flowers. Once all the layers are pulled up, fluff them in place to look natural. Continue making more flowers with the remaining stacks of squares.

The flowers can be sprayed with perfume or essential oils to make them smell nice!

The Nativity Story - Child Friendly Version

A long time ago, there was a lady called Mary.

One day, while Mary was doing the washing up, she saw a bright light.

She had to cover her eyes because it was so bright - *let the children cover their eyes.*

The bright light was an angel. Angels are very beautiful creatures who live in Heaven and work for God.

The angel gave Mary a message from God - he said she was going to have a baby.

Soon Mary's tummy started to get bigger as the baby in her tummy started to grow - *can you point to your tummy?*

Just a few weeks before her baby was ready to be born, the king told all the people in the country that they had to travel to the place where their family was from.

Mary had to travel a long way to a town called Bethlehem.

She had to walk very slowly because she had a baby in her tummy - *have a go at walking slowly.*

When Mary got to Bethlehem, all the hotels were full, so she had to sleep in a barn, where the animals sleep - *what animals might live in a barn? Can you make their noises?*

That night, Mary's baby was born. She called him 'Jesus'.

Mary didn't have a cot to put baby Jesus in so she laid him in the animal's food bowl! This is called a manger.

Jesus was a special baby - he was God's baby - and God wanted everyone to know that Jesus had been born.

Most of the people in Bethlehem were asleep - *can you make a snoring sound?*

But there were some shepherds in the fields, looking after their sheep - *what noise does a sheep make?*

God sent some angels to sing to the shepherds and tell them all about baby Jesus.

The shepherds were so excited that they ran to the barn to see Jesus.

God also put a giant star in the sky like a big birthday candle for baby Jesus.

Some clever men were looking at the sky and they saw the special star.

They followed the star all the way to baby Jesus.

When they saw him, they bowed down to tell Jesus that they thought he was special - *can the children bow?*
