

In God's Image

Safeguarding is everyone's responsibility

We are ready to listen attentively to all who wish to disclose concerns and experiences of abuse, and to work to support them.

"The best results and the most effective resolution that we can offer to the victims, to the people of Holy Mother Church and to the entire world, are the commitment to personal and collective conversion, the humility of learning, listening, assisting and protecting the most vulnerable."

Eucharistic Concelebration, Sala Regia, Vatican,
